

TOPSIDE

POOL CLUB

Networking Events

Topside Pool Club, located 7 stories above Falls Park, is pleased to offer non-profit organizations and groups the opportunity to use our club complimentary for a semi-private public or member networking events.

The Details

- Club is available on Monday, Tuesday, or Wednesday evenings for private groups of 75-150 with a \$700 beverage minimum. On Thursdays, the club can be utilized in a semi-private setting for groups of 25-74 with a \$250 beverage minimum.
- Your event can last up to 3 hours, with the club opening 1/2 hour beforehand for set-up.
- No food is offered at the club, but you can bring in prepared food or use one of our preferred caterers.
- Event hosts can host the bar, purchase drink tickets, or we can open a cash bar with beer, wine, spirits, and non-alcoholic drinks available for purchase.
- The organization must provide at least one volunteer or staff member to greet guests in the lobby and let them up the elevator (we have a key card system for entry). If you don't have any staff for this, you can reserve a greeter through us for \$20 an hour.
- Organizations are responsible for managing their own RSVP system, we do require a guest count at least 5 business days before the event.
- The club's occupancy is 135, so we recommend capping your event at 150-175 people, depending on your historical ratio of actual attendees.
- We have two TV's that we can set to rotate an automated slideshow or repeat video, and a house sound system for background music and light audio.
- In the event of rain, the event can be moved to another venue for additional rental fees, or rescheduled for another date.
- We do have room for a few sponsor tables, which can be rented or the event host can provide.
